COVID SAFETY PROTOCOLS

For the continued health and safety of our staff and the children/families that attend our centre for classes, anyone wishing to enter our premises must agree to abide by the following:

- Temperature checks and hand sanitiser upon arrival
- No entry to the centre if unwell or displaying any symptoms. Please contact us to reschedule if you or your child are unwell.
- Face masks are optional for staff, parents/carers and children so please wear one if you feel safer doing so whilst in our centre.
- Adults and/or children (if available) are recommended to be fully vaccinated against covid

While some of the above may no longer be a requirement by NSW Health or government, covid still represents a significant risk so we will, at our discretion, continue with our current covid protocols to maintain the safety of the staff and children/families. We would appreciate your support and understanding in this matter. Thank you.
